

25 YEAR RE-REVIEW

---

NOTE FOR RECORD:

Orig returned to C/IO w/ following note from JSE  
6/24/58: In approving the attached the Director  
commented that he did not want it too widely  
circulated. When I pointed out the dissemination  
he also commented "then I do not want it read by  
too many people".

In view above, all copies, except attached and one  
for DDCI, returned to Mr. Meyer, C/IO, for direct  
distribution.
